

BRONSON COLORECTAL PHYSIOLOGY CLINIC

AT BRONSON CENTER FOR COLON & RECTAL DISEASES

Bronson Center for Colon & Rectal Diseases offers the only colorectal physiology clinic in the region. It features the same procedures and treatment options provided by some of the most recognized colorectal physiology clinics in the nation.

Best of all, our team partners with primary care providers, keeping them in the loop every step of the way. Our team also delivers patient and family centered care for an outstanding patient experience.

To make an appointment or refer a patient, call (269) 441-1771.
