

Parking and Directions for Inpatient Surgery at Bronson Methodist Hospital

The waiting room for Inpatient Surgery is located on the second floor of Bronson Methodist Hospital.

We recommend that you park in any of the three lots on Jasper Street near the East Entrance:

- (A) Jasper Street South Lot
- (B) Jasper Street North Lot
- (C) Lot #10

Take the East Entrance elevators to the second floor. Turn left (west) out of the elevators, through the bridge waiting area, to the Inpatient Surgery waiting area desk.

Parking is also available in the (D) Vine Street Ramp at the corner of Vine and Burdick. From the second floor of the ramp, walk through the Medical Office Pavilion, across the Garden Atrium, past the Outpatient Surgery waiting area, and to the inpatient surgery waiting area desk.
