

Holiday Wish List 2018

Bronson Children's Hospital is pleased to accept donations during the holiday season to use for our pediatric patients. Listed below are the different options of ways to donate and who to contact. We are so thankful to receive items during this time as it makes the holiday season more special for the children here.

Option #1: Bronson Children's Hospital Santa's Work Shop

Toys that are directly donated to Bronson are used in our annual Santa's Workshop. The week of Christmas, all patients' caregivers are invited to attend Santa's Workshop where they select toys for the patient and their siblings. Due to the timing, we ask that toys be donated to us **NO LATER than Friday, December 14th**. Those wishing to donate to this program will need to set up a delivery day and time to drop the items off to a Child Life Team member. **The Child Life office number is (269) 341-7742**. We are a controlled access unit (due to patient privacy and infection control reasons) thus we are not able to allow individuals from the community to personally hand the items out.

Suggestions of Toys for Santa's Workshop:

- **Infant/Toddler:** rattles, musical toys, stacking rings, shape sorters, light up toys, socks, bibs, clothes, teething toys, music boxes and crib mobiles.
- **School Age:** Lego and Duplo kits, star wars toys, Minecraft toys/games, new DVD releases, craft kits, videogames, dolls, wooden puzzles, Barbie dolls, baby dolls, Play-Doh kits, puzzles, board and card games.
- **Teens:** gift cards (such as Target, Best Buy, Wal-Mart, iTunes), make up kits, nail polish, spa kits, axe body supplies, manicure supplies, headphones, body wash and sprays, lotion, perfume, new video games and movies (DVD only).
