

STUDIO PHOTOGRAPHY

Without Leaving the Hospital!

The hospital now offers new parents professional photography.

- Your photo session will take place right in your hospital room.
- Our experienced portrait photographers are experts at capturing the love and joy your new baby brings.
- Several poses will be photographed and you'll be able to choose your favorites.

Packages

- Choose from a wide variety of photo packages as well as birth announcements and photo keepsakes.
- All major credit cards, cash and money orders are accepted.
- You are under no obligation to purchase your portrait. It stays on our secure server for one year for you to decide at any time.
- Photo packages purchased while you are at the hospital will be delivered to your room before you leave.

No Waiting! No Shipping Charges!

Tips for getting the perfect portrait

- The photographer will stop by your room to schedule your appointment. Each photo session takes 20 minutes.
- Feel free to dress your baby or use a special blanket as a background.

Create your baby's own personal website

- Just visit the hospital's website or www.welcomenewborn.com and follow the instructions to create your baby's Welcomesite.
- Add your personal photos and customize your Welcomesite.
- The purchase of any portrait package entitles you to add the portrait to your Welcomesite at no extra charge.
