

Bronson Wellness Center COVID-19 Precautions Childcare

As you come to the club to enjoy your workouts, feel confident bringing your kids along, too. We have protocols in place to keep everyone safe and healthy inside the facility.

Childcare and family time are available, both with new temporary hours and enhanced safety precautions, designed to keep children and families germ-free.

What to expect when planning for and bringing your kid(s) to childcare

Temporary childcare hours are:

- Monday-Friday, 8:30 a.m.-1 p.m. & 4-7:30 p.m.
- Saturday, 8:30 a.m.-1 p.m.
- Sunday, noon-3 p.m.

Our dedicated childcare staff will continue to clean and sanitize toys and surfaces throughout the day. Also, they will deep clean and sanitize the room at the end of each shift. Childcare precautions include:

- For the safety of all, children ages 5 and above must wear a properly fitted face mask at all times while in childcare. The mask may be removed when seated at a table for eating or drinking.
 - In accordance with state mandates, children ages 2-4 must adhere to mask policies for children from April 26-May 24.
- Kids and parents/guardians must use the hand sanitizer station when entering the childcare room.
- We will take each child's temperature upon entry using a touchless infrared thermometer. Any child with a temperature over 100.4 degrees will not be allowed to use the facility that day.
- Parents/guardians will answer a health screening question regarding their child(ren):
 - *Has your child had a new onset cough, new shortness of breath, new difficulty breathing or loss of taste/smell in the past 10 days?*

As always, childcare is available on a first come, first serve basis. Reservations are still required for infants 6 weeks-18 months. Temporarily, we are limiting capacity to 10 children at a time.
