

Come BAC to play racquetball, basketball and pickleball!

At the BAC, our top priority is to provide you with a safe space to enjoy time with others through physical exercise. To keep our members and team safe and well, we are closely following the guidance provided by our state and county public health experts. Michigan recently made significant changes to COVID-19 safety guidelines – now allowing more group sport activities. Kalamazoo County health officer Doug Potter has approved racquetball and basketball activities under following conditions.

A properly fitted mask must be worn at all times inside the club, including during game play.
