WELCOME TO BRONSON

Thank you for becoming a patient at Bronson Primary Care Partners. We are honored to be *"Your Healthcare Partner for Life's Journey"* and to connect you with all the great resources the region's leading healthcare system has to offer.

Your Bronson Primary Care Partners team is part of a not-for-profit, locally-governed health system serving nine counties in southwest Michigan. With 8,400 employees and more than 1,500 medical staff members, Bronson Healthcare is the largest employer in southwest Michigan.

Bronson's vision is to deliver an exceptional healthcare experience for every person, every time. Across the system, you'll find exceptionally high quality and service standards and staff who are empowered to go the extra mile to make sure that your visit to Bronson is the best it can be.

You'll also experience Bronson Positivity, a hallmark of Bronson's culture. More than just warm smiles and big hearts, you'll see and feel the positive momentum driven by our constant pursuit of excellence. You can read stories of Positivity from patients, staff and community members at bronsonpositivity.com. And, we hope you'll add your own.

We believe that, together, we advance the health of our communities. Working in partnership with others we ensure access to care for all people and foster advancements that make care more convenient, such as video visits, online scheduling and the many helpful features of your Bronson MyChart electronic health record.

More than anything, you'll find Bronson is a good neighbor whose decisions are based on doing the right things today, so we can meet our patients' needs and stay strong for the future. Bronson's values and actions are woven into the fabric of southwest Michigan, helping to safeguard its physical, social and economic wellbeing for generations to come.

We welcome you and your family to our family.

Services at Bronson

We offer a full range of services in virtually every specialty from primary care to critical care across more than 100 locations.

We have four hospitals and many health and wellness services to meet you and your family's needs, including:

Hospitals and Fitness Centers

Bronson Methodist Hospital in Kalamazoo is a 434-bed, all-private room regional referral center providing care in virtually every specialty. It has advanced capabilities in critical care as a Level I Trauma Center; in neurological care as a Joint Commission-certified Primary Stroke Center; in cardiac care as the region's first accredited Chest Pain Center; in obstetrics as the leading BirthPlace and only high-risk pregnancy center in southwest Michigan, and in pediatrics as the only children's hospital in the region. The hospital is Magnet designated for nursing excellence and is nationally recognized for quality and delivering an outstanding patient experience.

Bronson Battle Creek Hospital is a 228-bed, all-private room community hospital providing a full range of outpatient and inpatient acute care including robotic surgery, world-class diagnostics, and rehabilitation services. Specialty services include inpatient behavioral health, the county's largest accredited sleep center, and a wound-healing center with hyperbaric oxygen therapy. The Commission on Cancer of the American College of Surgeons recognizes it as a Community Hospital Comprehensive Cancer program, the only hospital in Michigan to be a recipient of that distinction three review cycles in a row.

Bronson LakeView Hospital in Paw Paw is a 26-bed, all-private room critical access hospital serving Van Buren and Kalamazoo counties. It offers a wide range of acute care services including surgery, geriatric psychology and emergency care. Outpatient services are provided at the hospital, at Bronson LakeView Outpatient Center in Paw Paw and at rural health clinics in Decatur and Mattawan. Services include behavioral health, home health, rehabilitation, pharmacy, diagnostics and a host of specialty clinics.

Bronson South Haven Hospital is a 49-bed community hospital serving Allegan and Van Buren counties. It offers acute care services including a full service emergency department, diagnostics and imaging at the hospital as well as primary care and specialty clinics in South Haven and Bangor. Also located on the hospital campus is Bronson Wellness Center, which offers rehabilitation services, group exercise classes, personal trainers, massage therapy, and wellness programs.

Bronson Athletic Club
Bronson Athletic Club is a full-service club with amenities and programs to fit the needs of people of all fitness levels. The club offers a wide variety of fitness activities, classes and programs – ranging from personal training and group fitness classes, to state-of-the art cardio and weight training equipment, a lap pool and a full-size gym. To schedule a tour of the club, call (269) 544-3200.

Bronson Wellness Center
Bronson Wellness Center combines fitness and nutrition education to equip club members and those in the community with the resources to live a healthier life. The club offers certified personal trainers, a variety of group exercise classes, cardio and strength training equipment, a lap pool and more, as well as free healthy living classes and cooking demonstrations. To schedule a tour of the club, call (269) 639-2949.
