Advance Directive

Durable Power of Attorney for Healthcare
(Patient Advocate Designation)

Introduction

This document provides a way for an individual to create a Durable Power of Attorney for Healthcare (Patient Advocate Designation) and other documentation that will meet the basic requirements for this state.

This **Advance Directive** allows you to appoint a person (and alternates) to make your health care decisions if you become unable to make these decisions for yourself. The person you appoint is called your **Patient Advocate.** This document gives your Patient Advocate authority to make your decisions *only when you have been determined unable to make your own decisions by two physicians, or a physician and a licensed psychologist*.

It *does not* give your Patient Advocate any authority to make your financial or other business decisions.

Before completing this document, take time to read it carefully. **It also is very important that you discuss your views, your values, and this document with your Patient Advocate.** If you do not closely involve your Patient Advocate, and you do not make a clear plan together, your views and values may not be fully respected because they will not be understood.

This document was developed to meet the legal requirements of Michigan. It is not designed to replace the counsel of your attorney.

This is an Advance Directive for *(print legibly)***:**

I understand that it is important to have ongoing discussions with my Patient Advocate about my health and health care choices. I hereby give my Patient Advocate permission to send a copy of this document to other doctors, hospitals and health care providers that provide my medical care.

(NOTE: If your wishes change**, you may revoke your Patient Advocate Designation at any time and in any manner sufficient to communicate an intent to revoke.* ***It is recommended that you complete a new Advance Directive and give it to everyone who has a previous copy.)

1. *Carefully read the* ***Introduction (1A)***, ***Overview*** *and this completed* ***Patient Advocate Designation Form****, (including any optional* ***Preferences*** *listed on pages 6A-9A). Also, take note of any* ***Treatment Preferences*** *(Goals of Care, pages 1B-2B) and/or Statement of Treatment Preferences that may be attached. These documents will provide important information that you will use in discussing the person's preferences and in potentially acting as this person's Patient Advocate.*
2. *Discuss, in detail, the person's values and wishes, so that you can gain the knowledge you need to allow you to make the medical treatment decisions he or she would make, if able.*
3. *If you are at least 18 years of age, and are willing to accept the role of Patient Advocate, read, sign and date the following statement.*

I accept the person's selection of me as Patient Advocate. I understand and agree to take reasonable steps to follow the desires and instructions of the person as indicated within this "Advance Directive: My Patient Advocate" document or in other written or spoken instructions from the person. I also understand and agree that, according to Michigan law:

a. This appointment shall not become effective unless the patient is unable to participate in medical or mental health treatment decisions, as applicable.

b. I will not exercise powers concerning the patient's care, custody, medical or mental health treatment that the patient – if the patient were able to participate in the decision – could not have exercised on his or her own behalf.

c. I cannot make a medical treatment decision to withhold or withdraw treatment from a patient who is pregnant, if that would result in the patient's death, even if these were the patient's wishes.

d. I can make a decision to withhold or withdraw treatment which would allow the patient to die only if he or she has expressed clearly that I am permitted to make such a decision, and the patient understands that such a decision could or would allow his or her death.

e. I may not receive payment for serving as Patient Advocate, but I can be reimbursed for actual and necessary expenses which I incur in fulfilling my responsibilities.

f. I am required to act in accordance with the standards of care applicable to fiduciaries when acting for the patient and shall act consistent with the patient's best interests. The known desires of the patient expressed or evidenced while the patient is able to participate in medical or mental health treatment decisions are presumed to be in the patient's best interests.

g. The patient may revoke his or her appointment of me as Patient Advocate at any time and in any manner sufficient to communicate an intent to revoke.

h. The patient may waive the right to revoke a designation as to the power to exercise mental health treatment decisions, and if such waiver is made, the patient's ability to revoke as to certain treatment will be delayed for 30 days after the patient communicates his or her intent to revoke.

i. I may revoke my acceptance of my role as Patient Advocate at any time and in any manner sufficient to communicate an intent to revoke.

j. A patient admitted to a health facility or agency has the rights enumerated in Section 20201 of the Michigan Public Health Code, (Exercise of Rights by Patient's Representative 1978 PA 368, MCL 333.20201)

OR

In all situations, I want to receive treatment and care to keep me comfortable.
